Since we lack the power to kill zombified Demans ...
...We're keeping it down here.

It's fascinating that you're keeping it here and all that, but...
Hm.

Are you aware of what these are?

When a tri-horn dies...
They revive into these beast-like creatures.

They lack eyes and ears
They cannot hear nor can they see.

That thing cannot understand anything I am currently saying.
GRAB
We simply call the process zombification for convenience.

Batoi Direct

Back when the world consisted of Deman who carried two horns...

'That man' carried out certain experiments on the Demans themselves.
His goal was simple. To infuse dark powers within these vessels.
The original Demans could not handle the power and often went insane.
However, after countless sacrifices and experiments ...
Vessels that can handle this strength were born.

The birth of another horn.
That was the sign of evolution.

Basically... Tri-horns carry this dark power within them.

They are able to control this power until they die and lose their consciousness.

What was the purpose... Of such experiments?

Do not try to go against 'His' decision.

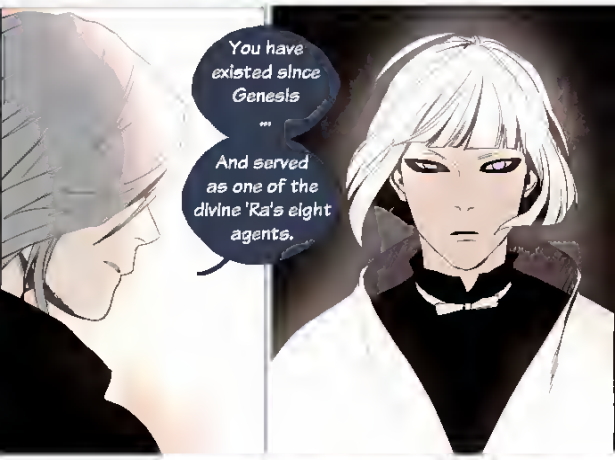
Raviel.



You have existed since Genesis ...
And served as one of the divine 'Ra's eight agents.

I am sure you of all people would know ...
The true owner of this vapor.
....!

Remains of some long-past ancient memories dwell within me.
Memories beyond the time dwelled within the forest ...
Far far beyond ...

EVEN BEFORE MY OWN BIRTH

I LAID WITHIN THE PITCH-BLACK DARKNESS

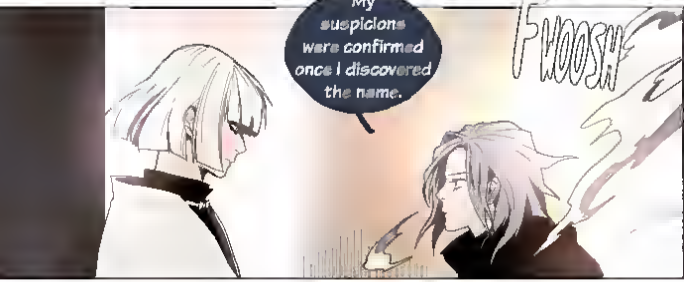
THEN

I WITNESSED A BLINDING LIGHT

LIGHT SO DAZZLING

THAT WORDS CANNOT DO IT JUSTICE .

This is my very first memory.
I know that before I became a God, I was a mere mountain goat.
I am positive this ancient memory of far past... Belonged to someone else.



My suspicions were confirmed once I discovered the name.

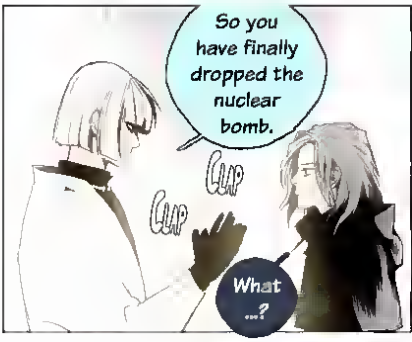
All of you have hidden this name from me.
Please tell me the truth, Raviel.



So you have finally dropped the nuclear bomb.

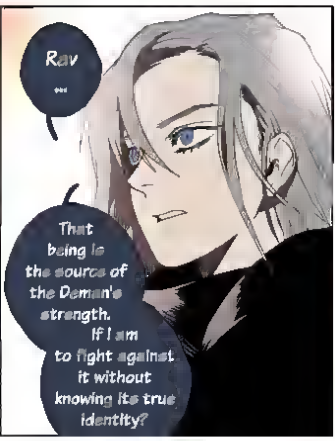
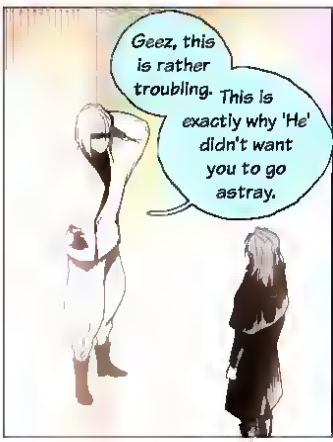
What ...?

Nuclear bomb. That is what we equate that name and past to.
We have yet to even been given permission to speak of that being.



Rav ...
That being is the source of the Daman's strength. If I am to fight against it without knowing its true identity?



Geez, this is rather troubling.
This is exactly why 'He' didn't want you to go astray.

But I suppose the nuclear bomb has already been dropped. Ever since you descended on Earth.
This is why I shall tell you this-

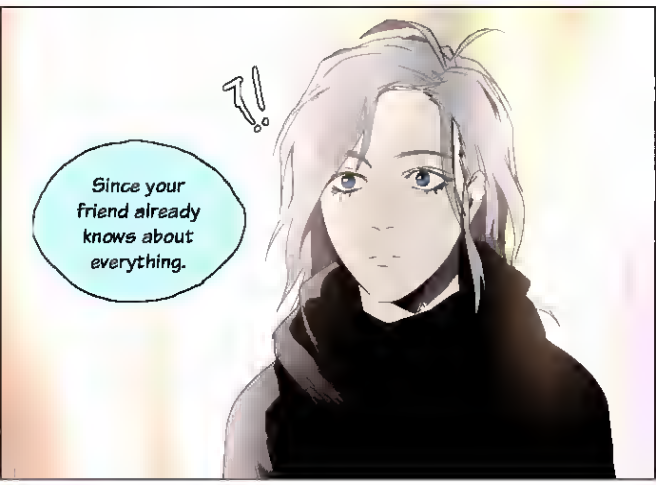
Do not hurry.
You shall know soon.



Since your friend already knows about everything.

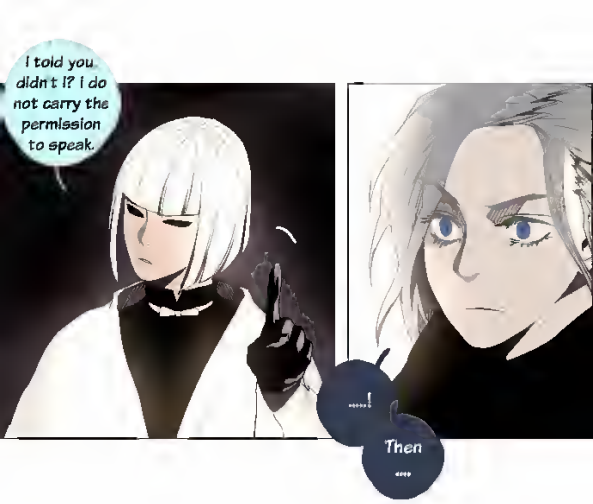
Woah- Woah-
I GET IT!! WHEN RAINOLD DIED, HE MET YOU, DIDN'T HE?!
SO YOU TOLD HIM EVERYTHING ?!
WHY NOT ME, TOO! ...



I told you didn't I? I do not carry the permission to speak.

Then
....

Don't tell me... Impossible.
The great God I know wouldn't reach out to a mere human being ...

AH, JUST GO AND ASK HIM YOURSELF! YOU'RE SO DAMN ANNOYING, SERIOUSLY~!
SWISH SWISH
SERIOUSLY? ARE YOU SERIOUS?!! I CAN'T BELIEVE IT!!

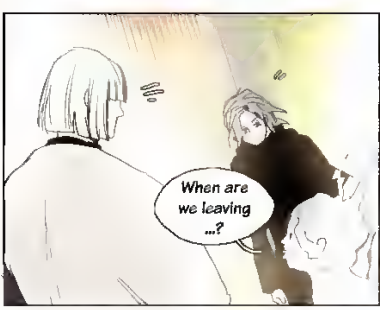
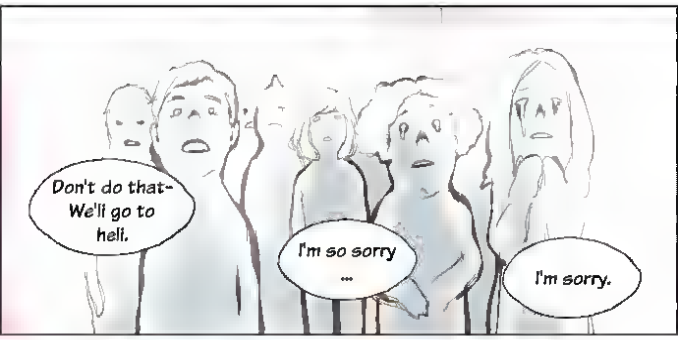
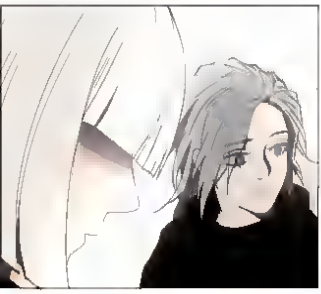
Excuse me ...



When are we leaving ...?



Don't do that- We'll go to hell.
I'm so sorry ...
I'm sorry.



It seems I've made you wait.
LEAN

Mister... Are you an angel?

Yup. I'm an angel.

To take form as children ...
Could this mean even the most pure and innocent soul can fall into depravity ...?

To be honest, I didn't want to deal with complaining.
If you don't like it, do it yourself.

...Are you leaving?

Yes, since I am very busy.

WITH THE BIRTH OF HUMANITY, IT WAS AN HONOR TO CONVERSE WITH AN ANCIENT SUCH AS YOU.
YOU HAVE SHOWN KINDNESS TOWARDS A SINNER LIKE ME, AND I OFFER MY SOUL TO YOU.

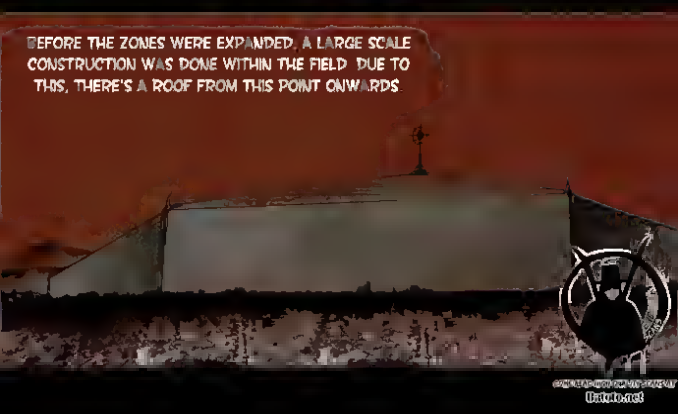
THE FIRST GATE WE MUST PASS IN ORDER TO REACH THE 1ST ZONE IS THE 4TH ZONE GATEWAY



BEFORE THE ZONES WERE EXPANDED, A LARGE SCALE CONSTRUCTION WAS DONE WITHIN THE FIELD. DUE TO THIS, THERE'S A ROOF FROM THIS POINT ONWARDS.

I BELIEVE THIS WAS DONE IN ORDER TO COMPLETELY BLOCK OUT THE EXISTENCE OF SUNLIGHT

So basically- From the 4th zone onwards whether it's from above or below every side is fortified.
A place where even Lessa cannot just climb over.
I see. Well, that should be enough for explanations.
I mean, we're simply going to breakthrough the gates, so who cares?

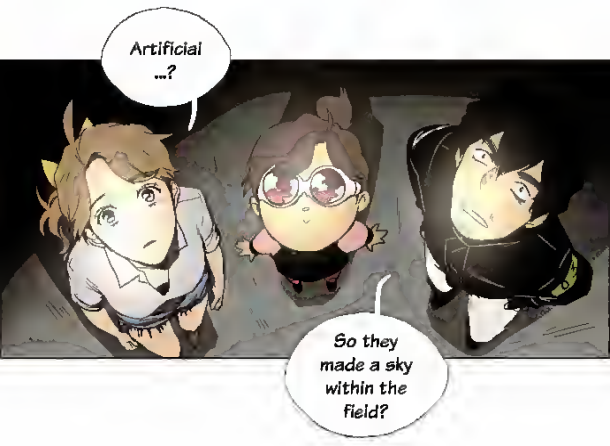
What's going on...? I'm sure it's daytime...!

I guess this would be surprising for someone who never visited the 4th zone.
The sky isn't half-bad, isn't it?

But everything you see here is artificial.
From the sky to the clouds.



Artificial ...?
So they made a sky within the field?

Can you see those luminous bodies up there?
The sun?
You all remember the artificial suns that were being made a year back, right?
I'm not really sure what went on, but ...
That technology is being used for the Demans now.

RU

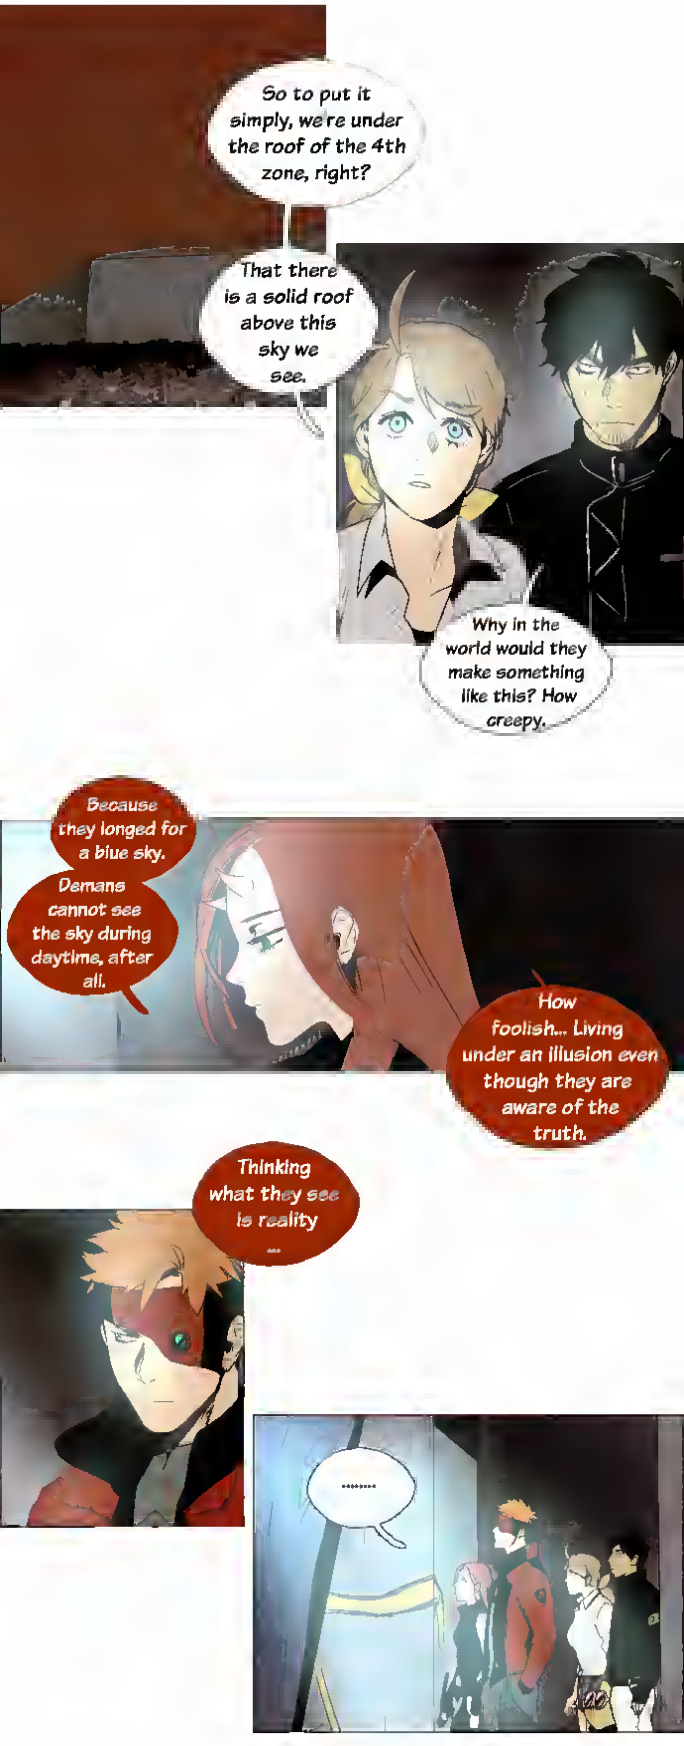
UM
BLE
A lamp that pumps out light without sunlight.
In the 4th zone, the Demans call this sun, the 'All-seeing eye'.



So to put it simply, we're under the roof of the 4th zone, right?
That there is a solid roof above this sky we see.
Why in the world would they make something like this? How creepy.
Because they longed for a blue sky.
Demons cannot see the sky during daytime, after all.
How foolish... Living under an illusion even though they are aware of the truth.
Thinking what they see is reality ...

Everyone. Do you know why Demans don't use firearms
This is because they believe it is biasphemy against their "god-given powers"

SO BASICALLY, NOBODY RIDES CARS IN THE 4TH ZONE!
So what?

WHO KNOWS WHAT WILL HAPPEN TO US IF WE GO IN RIDING THIS THING?!

Don't joke around, what about my precious bike ...?
CLENCH
So what you're saying is, is that we go around dressed as Demans- Is that it?

But my father was an armsdealer
Or ... something like that.
FLUTTER
Arms-dealer ??
Yup. Back in the day, he was known as the most celebrated frame armsdealer.

My father is the only person in this world who has yet to recognize me.

.....
Alright, all done!!

Now what ?
We head towards the 1st zone!
No, we don't even have a car. How will we get there ?
Ah geez. Car car car! Is the sole purpose of your lives to drive cars?
Hey brat, it takes an hour by car to just reach the 3rd zone. What crap are you spouting?
If we get caught while walking, I'll procure a car for you guys!

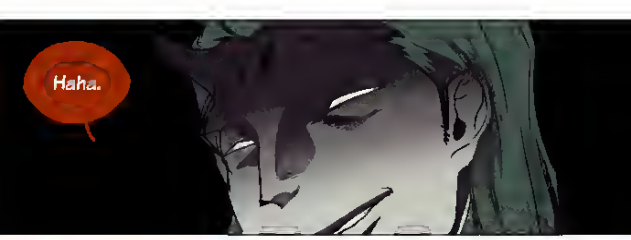
I caught a nostalgic scent so I was looking forward to this reunion. Turns out its some Deman peon and his lump of flesh.
WHOOSH



Haha.

I don't mind you insulting me... But calling this being a lump of flesh is something I cannot forgive.
All believers know...
That this 'Dog' are the closest beings to God himself.

SOMETHING IS DIFFERENT ABOUT THIS ONE COMPARED TOTHE DOGS FROM YESTERDAY

When a believer is unable to contain their dark powers, they become what you call dogs.
Since you were once a believer, I'm sure you know very well ...
Just what kind of beings those dog-like things are.
But behold.
Aldebaran is currently completely still ...
It is waiting for orders on what to do with you.
That's impossible... Those dogs don't have a conscious-ness.
Heh. Of course, when dark powers remain in the body, it goes wild resulting in the 'dogs' you know.
However, sometimes the consciousness remains after they have been liberated from their bodies.
They have reached a point closest to god.
Calling these beings angels isn't just a play on words

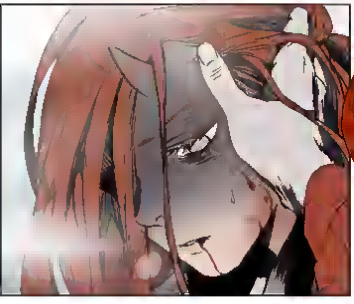
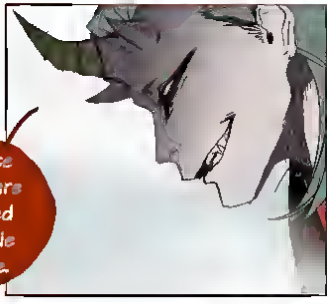
If you had attained dark powers, you would not have died in vain

That power is not bestowed on just anyone, you know



For a traitor such as you ...

You will never be able to attain that glory for eternity.



Since you are fated to die here.

...Dark powers.

I also... Have them.

I absolutely... Hate it ...

I'd hate it more if I were to die in the hands of scum like you.
